

C.E.O.™ Envi for MacBook Air™

Product Specifications Sheets

Description:

The C.E.O. Envi from Marware is the ultimate slim, elegant leather envelope sleeve for your Macbook Air. Top quality full-grain leather, premium finish, sleek profile, and a concealed magnetic closure system make this the perfect complement to the world's thinnest notebook. A soft interior hugs your notebook and helps reduce smudges and fingerprints just through normal use. Dress up your MacBook Air in sophisticated style, and make your friends, colleagues, family and co-workers envious. Ideal for lightweight hand-carrying, the C.E.O. Envi also serves as additional protection inside a briefcase, satchel, laptop bag, or travel case.
